

# HP Deskjet 6940 Colour Inkjet Printer

Share breakthrough print speeds of up to 36 ppm black and 27 ppm colour across multiple computers using built-in wired Ethernet networking. Print laser-quality black and professional quality colour using HP Vivera Inks and optional 6-ink colour.

**The HP Deskjet 6940 Colour Inkjet Printer is designed for busy home/small business users who want easy wired network printing along with breakthrough speeds, professional print quality and increased productivity.**

**Get it all done in less time with breakthrough speeds.**

Enjoy greater productivity and cut waiting time with breakthrough speeds of up to 36 ppm black, up to 27 ppm colour. Save ink and money with high-capacity ink cartridges – ideal for higher-volume jobs. Work at peak efficiency with optional auto two-sided printing[k1]; add an optional 250-sheet paper tray[k1] for total capacity of 400 sheets. Smart, fast-access controls include print-cancel and network configuration. Recommended for fast, high-volume printing.

**Easily share printer with multiple computers using built-in wired Ethernet.**

Built-in Ethernet networking – easily share your printer on a small wired network of PCs and notebooks. Easy wired network set-up – no need for additional hardware or software with built-in Ethernet, simply connect and print. Plug the printer networking cable into a wireless router for wireless printing convenience. Easily print from your camera phone and PDA with optional Bluetooth® wireless print adapter[k2].

**Professional quality printing that lasts—with or without borders.**

Print professional laser-quality black text and colour in optional 6-ink colour[k3] using HP Vivera Inks. Photos resist fading for generations[k4] and text documents retain clarity for decades[k5]. Automatically remove red-eye, enhance detail in dark areas with HP Photosmart Real Life technologies. Print standard and custom-size photos, with or without borders, from 10 x 15 cm up to large panorama (215 x 610 mm). Media sensor detects paper type and automatically sets print quality.

[p1] 6-ink printing available with purchase of HP 348 Photo Inkjet Print Cartridge (not included, please purchase separately).

[k1] With purchase of HP Auto Two-sided Printing Accessory ph5712 and HP 250-sheet Plain Paper Tray pf3447 (not included; please purchase each separately).

[k2] Wireless printing requires HP Bluetooth® BT400 or HP Bluetooth® BT450 wireless print adapter and Windows XP with Service Pack 2 (not included, please purchase separately).

[k3] 6-ink printing available with purchase of HP 348 Photo Inkjet Print Cartridge (not included, please purchase separately).

[k4] Based on Wilhelm-Research.com light-fade testing under glass using the HP 344 Tri-color and the optional HP 348 Photo Inkjet Print Cartridges on HP Premium Plus Photo Papers. For more information on additional permanence testing factors, visit <http://hp.com/go/premiumplusphoto>.

[k5] Based on paper industry predictions for acid-free papers; colorant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18909.
