

imagine the world's most compact colour laser with an amazing £30 cash back offer

CLP-300  
Cash Back Offer

£30  
cash  
back

From 1st March – 31st May 2008 we are offering our market leading CLP-300 colour laser printer with £30 cash back (via redemption). Stocks are limited. Get yours today.

The CLP-300 series pioneer 'personal colour laser printer' market, continuing Samsung's tradition of 'personalizing' laser printers. The breakthrough size, weight, and lowest level of noise in its class come from ingenious technologies such as NO-NOIS™ and "bottle-shape" toners. The new series is stylish and the first colour laser printer on your desk, not below it in your home and office.

To claim your £30 Cash Back, complete your details below and fax **along with your proof of purchase** to 01584 878 733. Or call us on 08707 550 225 for further information.
